## Why Choose Crusader?

- We understand the requirements of the National Briefing Model.
- We have experience with Local Authorities, Government, the MOD and more than 30 Police Forces.
- From an interactive whiteboard or pull down screen to ultra secure installations incorporating Heli-Tele, CCTV inputs etc. Allows real time interaction across a wide range of geographical areas.

Working With You to develop the best solution For You

# ALL YOUR AUDIO VISUAL AND DATA CONFERENCING NEEDS...

### 1 Interactive Whiteboard & Controlling Personal Computer

- Rugged UK manufactured whiteboards. Allows interactive briefings at single or multiple sites simultaneously within a secure network.
- Hard screen surface with 5 year warranty.
- Fully featured software for maximum impact and versatility.
- Cordless and battery free electronic pen.
- Software installed and PC's configured to ensure consistency and compatibility.
- Training in use of the software provided.
- Presentations can be annotated during briefings and printed to any or all of the locations.
- Free software updates provided for 3 years.
- Additional training available as an option.

### 2 Custom-made Lockable Whiteboard Wall Cabinet

- Purpose designed to keep whiteboard, flip chart, pin board etc. secure & confidential - as required by the National Briefing Model for rooms not used solely for briefing.

### 3 Audio System

- Ensures all present can hear clearly, takes feed from microphone, or other equipment e.g. Video, Camcorder etc.
- Hearing loop can be included for rooms also used for press & public briefings to comply with Disability Discrimination Act

### 4 Voice Conferencing Unit

- Clear telephone conferencing with digital output for recording all contributions. Ideal for audit compliance.

### 5 Lectern

- Compact lectern with integral cable management system.

### 6 Ceiling Mounted Projector

- Projector cabled and installed using appropriate fixing kit for ceiling type. Out of easy reach of unauthorised individuals.
- Security cage available as an option.

### 7 Plasma Screen TV's

- Show TV News or Heli-Tele or Video camera inputs etc.
- Ideal for major incident monitoring, command functions, video conferencing etc.

### 8 PRESENTAvote

- Simple to use audience response system. Allows instant interactive response to questions.

### 9 Secure Mobile Cabinet

- Mobile lockable cabinet. Simply unplug to transfer equipment to other locations for presentation or storage.
- Includes space for portable projector and spares, video switch, freeview box, audio and video recording device, personal computer and interactive control panel.
- Can be securely fixed to local anchor point to prevent unauthorised removal.

### 10 Video Switch

- Allows switching between input sources such as PC, Video, Camcorder, Visualiser etc.

### 11 Digital Audio & Video Recording Device

- Ideal for minutes, archives and due diligence records.
- Equipment to overlay time and date on video records is available as an option.

### 12 Interactive Control Panel

- Touch screen panel interfaces with a PC and projector to let presenter control and annotate presentation whilst facing the audience.
- Laptop with software plus an interactive control panel allows for one to one presentations anywhere. Link in to a projector for use with larger audiences.
- Ideal for external network locations, e.g. Conference or Hotel venues, utilising their projector and audio system.

### 13 Video Conferencing Unit

- Appropriate unit to allow conferencing between 2 or many locations. Linked via ISDN, intranet or Internet.
- Encrypted communication available for high security conferencing/briefing.
- Can be integrated with local authority CCTV and Police radio network.

### 14 Visualiser

- For presentation of high resolution images of documents, photos, negatives and small 3D objects.

### 15 Modular Connection Boxes

- Custom designed modular connection boxes to make connections clear and simple.
- Secure, tidy system allowing for cost-effective updates or expansion with minimal or no rewiring.

### LARGE EXTERNAL BRIEFING LOCATION

- For use with larger audiences and in rooms serving several functions.

### Presentation Equipment

- Can use mobile unit ( as 9 ) or simply use interactive control panel plus laptop configured with our fully featured software and a portable projector.
- Interactive link to central briefing location via secure network connection as required.

### INTERNAL REMOTE SITES FOR MULTI-LOCATION BRIEFINGS OR VIDEO CONFERENCING

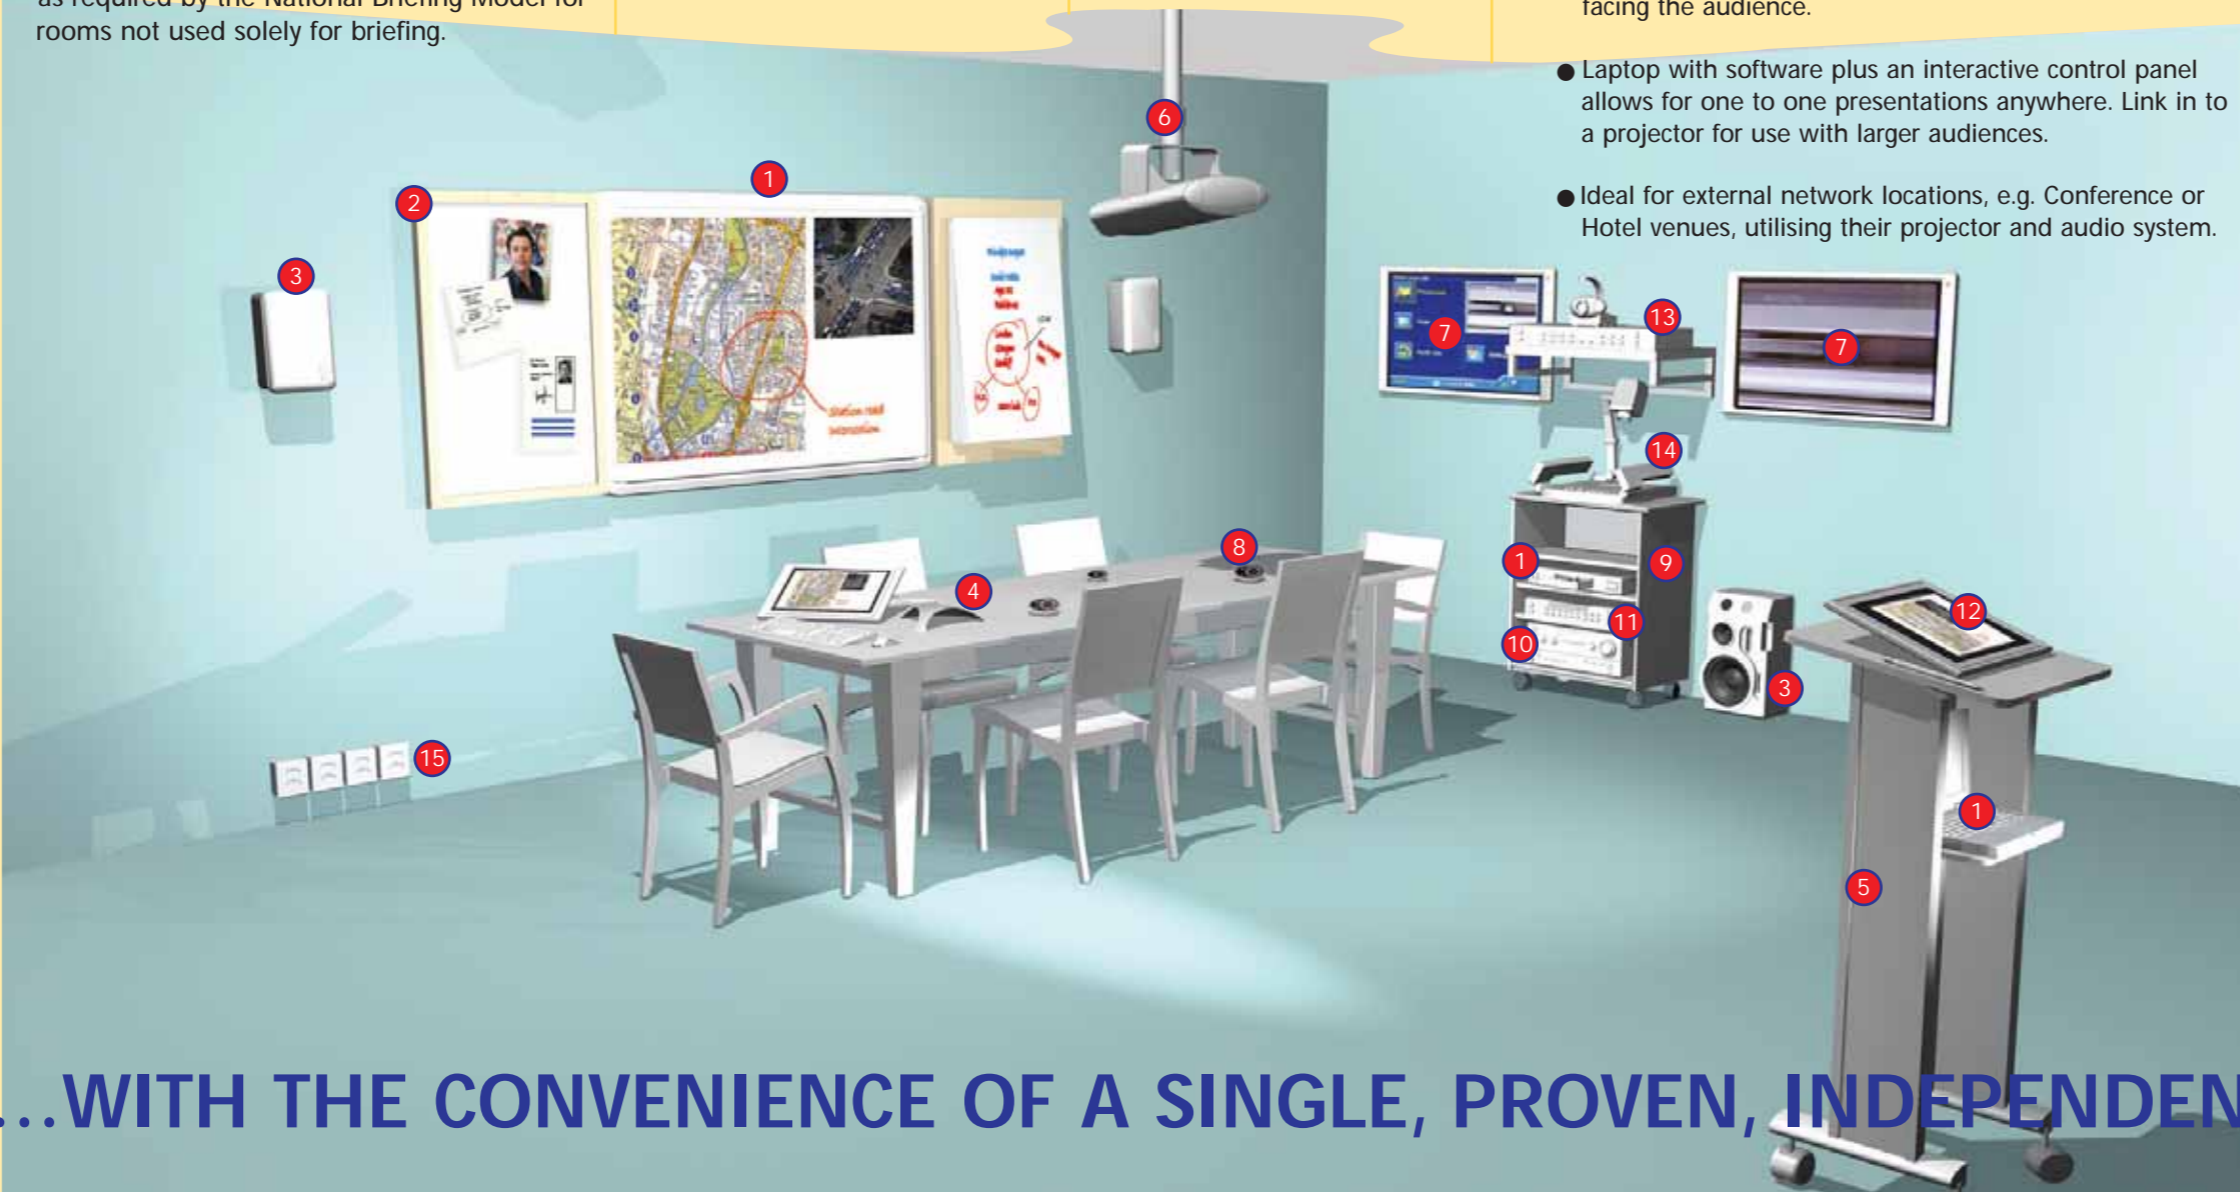

- All briefing room locations can be fully equipped and securely linked as required.
- Alternatively, Crusader can design solutions for individual locations as simple or as sophisticated as is required to effectively meet current and future demands.

### EXTERNAL NETWORK LOCATIONS

- Appropriate solutions and equipment are provided for external network locations. Examples include:
  - Off-site meetings or presentations at conferences or in offices/hotels etc.
  - Incident rooms or mobile control and command units where presentations or on-the-spot briefings/debriefings may be required.

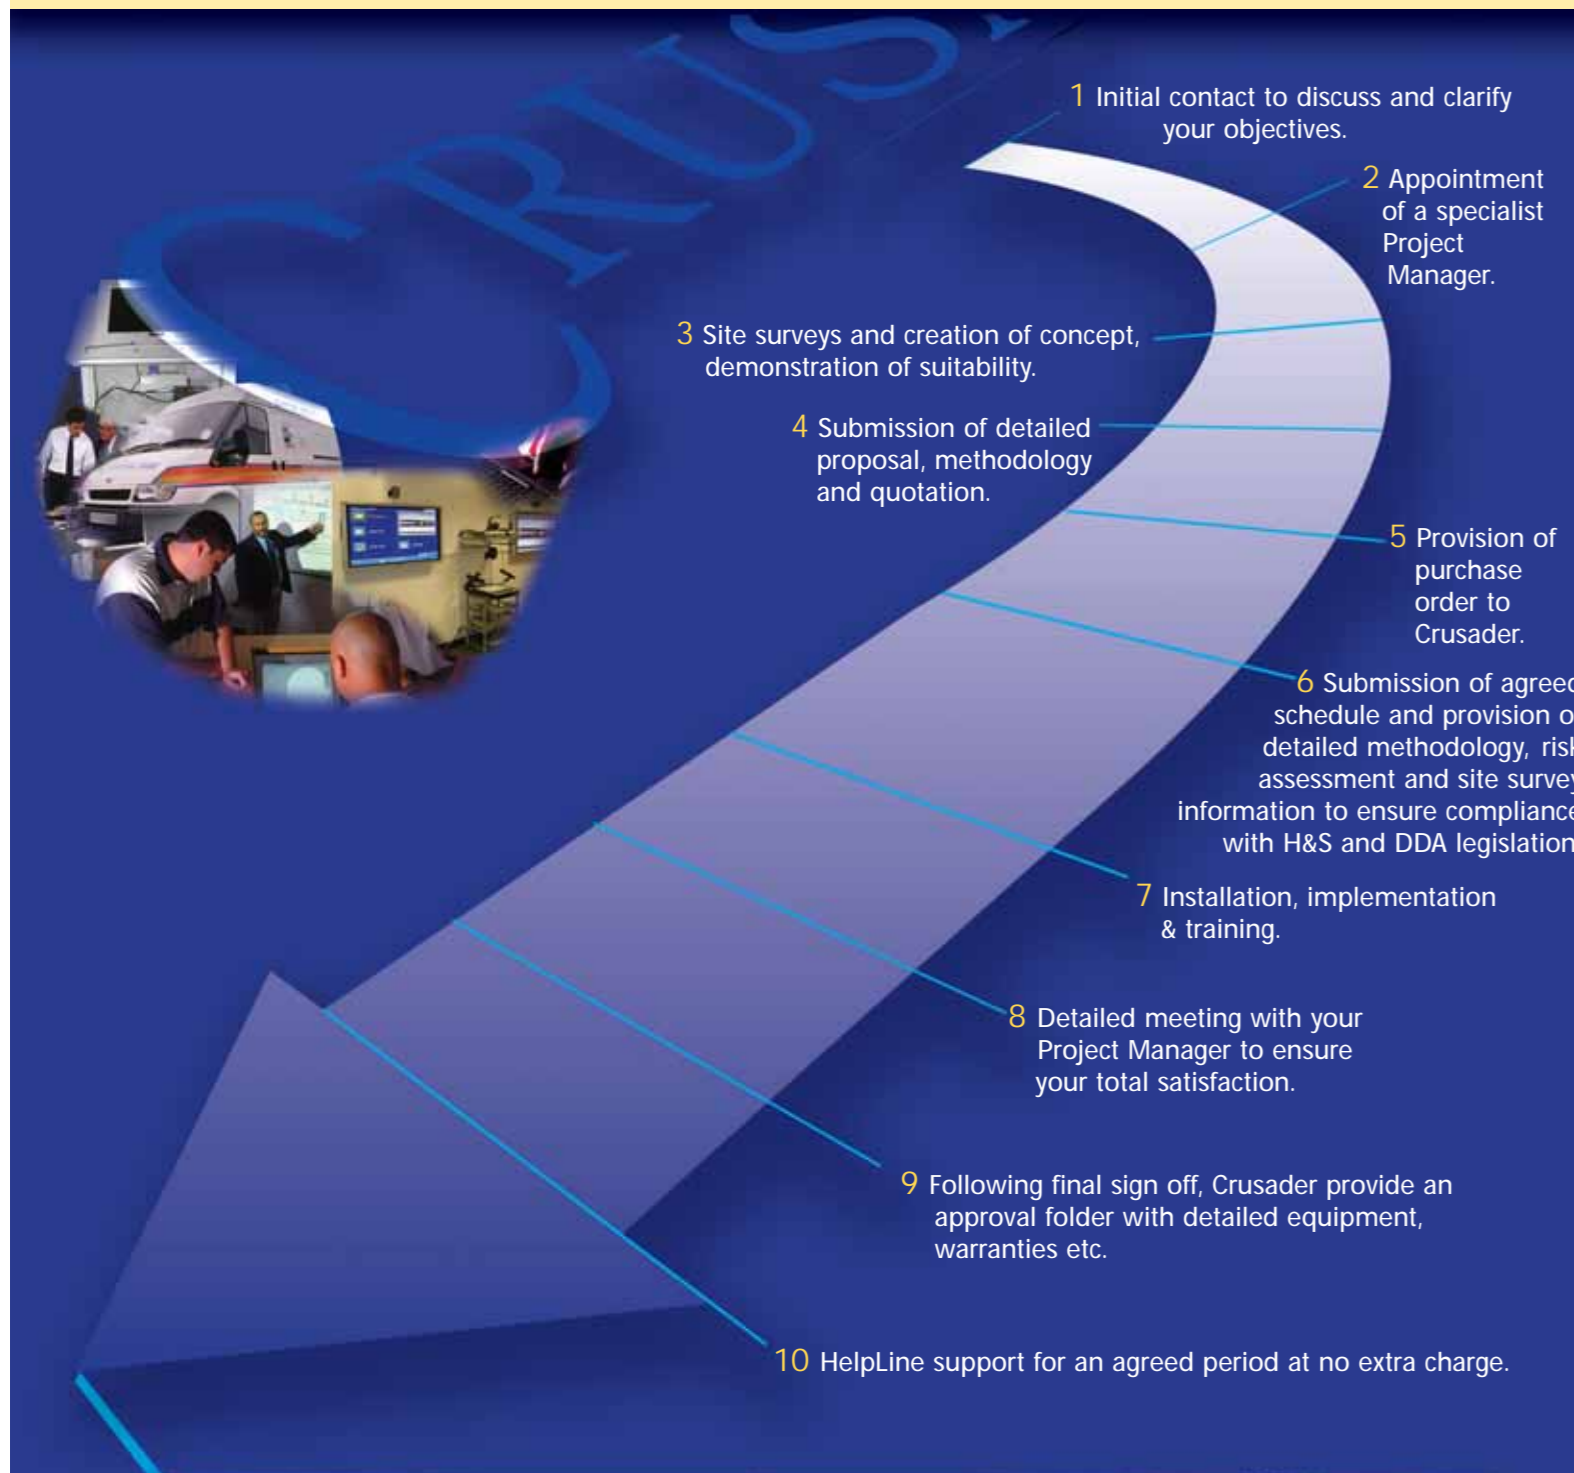

### INCIDENT CONTROL

...WITH THE CONVENIENCE OF A SINGLE, PROVEN, INDEPENDENT SUPPLIER

INTERNAL NETWORK

## How We Plan and Manage Your Project:

## What Police Forces have said about working with Crusader...

Bedfordshire Police

### Installation of Multi-location Briefing Room Equipment

"I would like to thank you and your staff for the professional way in which the work was carried out with the minimum of disruption..... Intelligence office staff are making excellent use of these facilities to enhance & improve briefings we deliver to Officers across the Division."

Chief Inspector Jim Saunders

Nottinghamshire Police

### Interactive Briefing and Training Rooms

"I would like to thank you & your team for the professional manner in which work was carried out on the installation of interactive equipment to our conference and training room. ...I have no hesitation in recommending your company to carry out any work in our Police Stations requiring this specialist service."

Vince Chiverton – Premises Officer, City Division

Metropolitan Police Specialist Crime Directorate

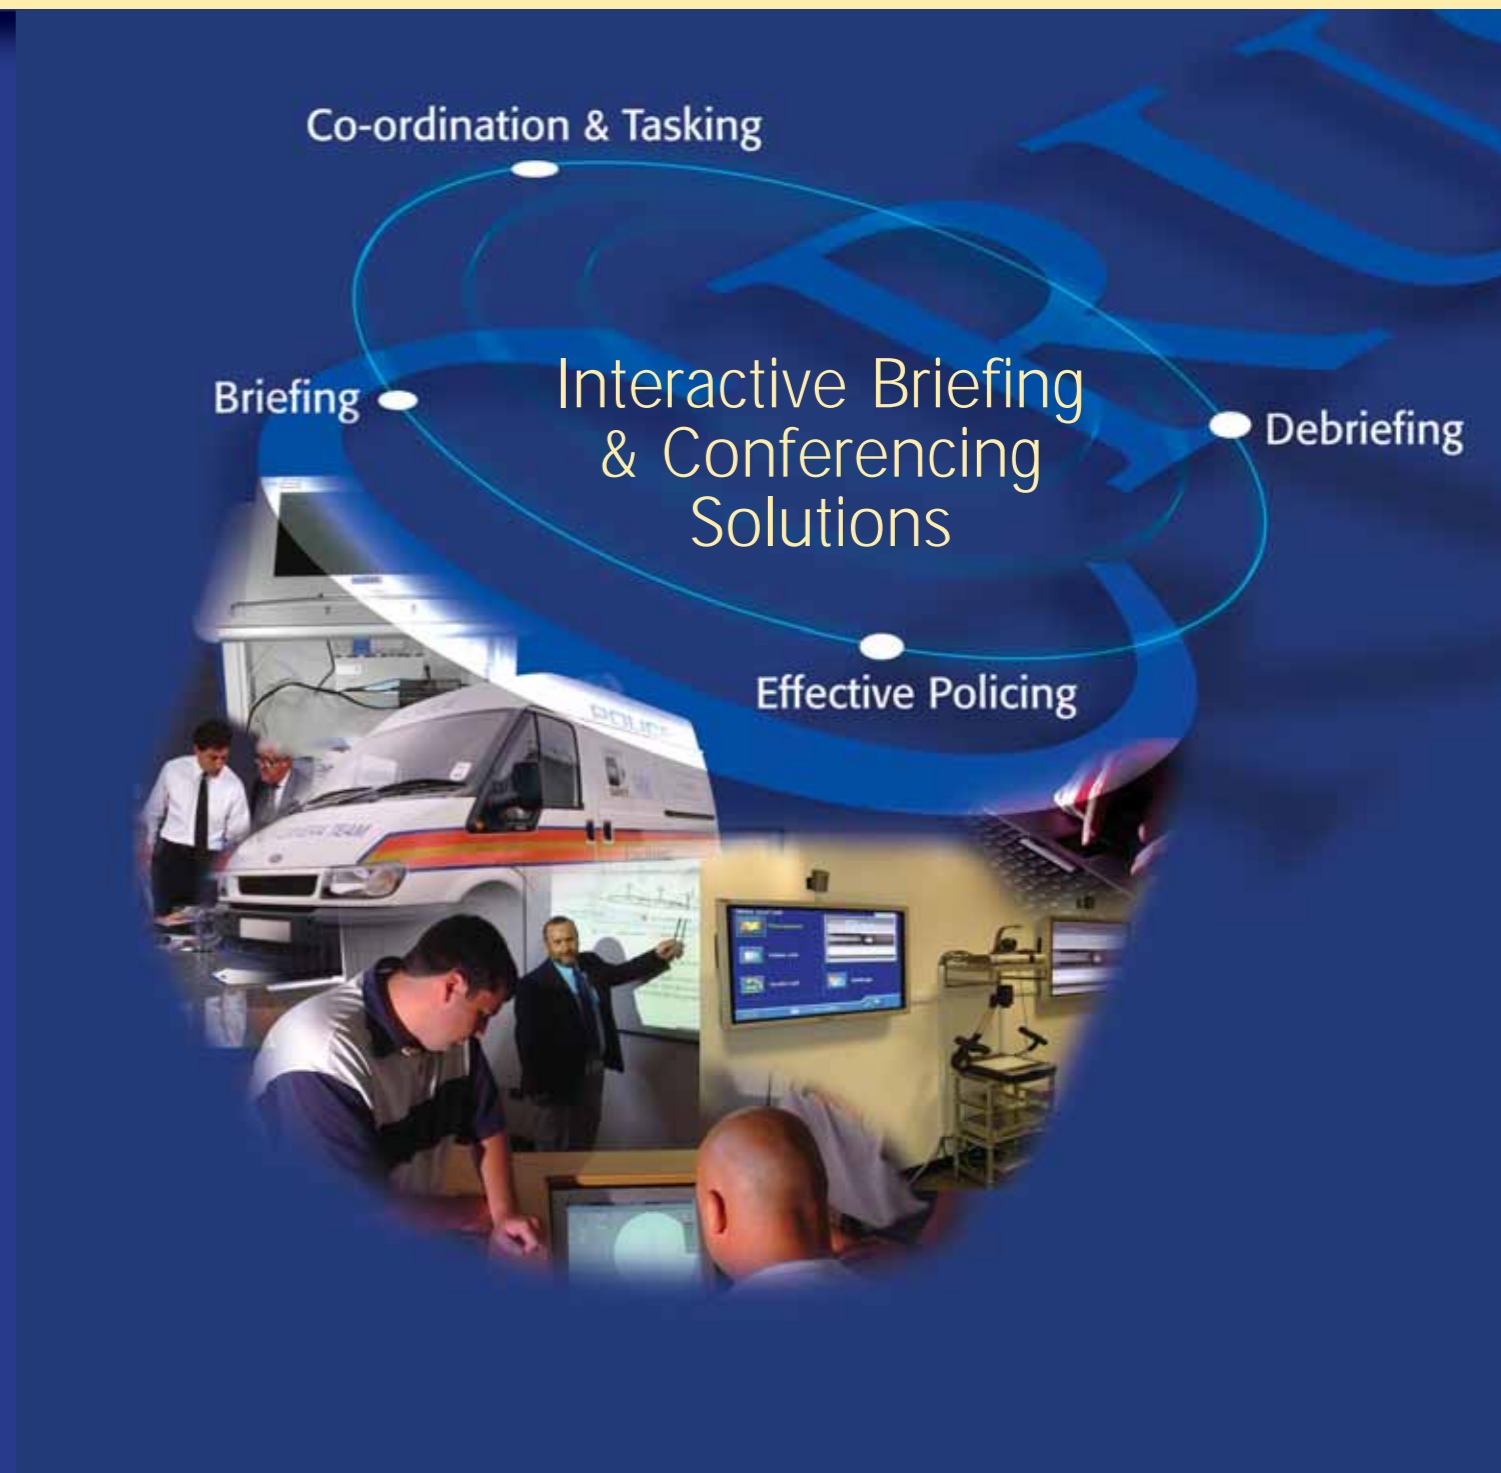

### Secure Multi-point Video Conferencing System

"The video conferencing facilities that you installed (at Lewisham & Sutton) have already proved to be a valuable asset to the command.....all staff from Crusader were very courteous and efficient and I would not hesitate to recommend them to other stations and offices alike."

Katy Mutch – Finance & Resource Manager
